MARKETSITE EVENT SPACE SPECS

CONFIDENCE MONITOR

▶ The monitor can support the presentation exactly as seen on the video wall behind the presenter and if presentation notes are required on the confidence monitor, the client will need to use our **PerfectCue** clicker to control two sources at once. One source will be dedicated for the video wall and the other source will be for the notes on the confidence monitor.
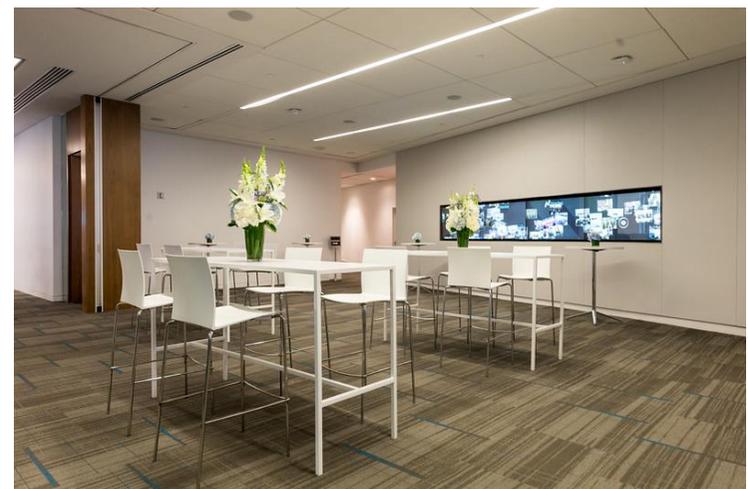

Digital Timer

▶ Digital clock displays: Time Remaining; with Green-Yellow-Red cue lights that show Talk, Sum-Up, and stop time, respectively.
▶ Controlled by client with Wireless Controller that usually sits in the back of the room.

Clearcom Head Set

▶ Easy to use, crystal clear communication system. With 4 headsets (2 are designated to our AV team the other 2 are available for rent for secure communication throughout the event space.)

INTERACTIVE TOUCH DISPLAY SYSTEM –2nd Floor Exhibition Space

▶ There are 4 display systems which can be in either Interactive or Non-interactive modes
▶ Non-interactive mode is provided complimentary with your rental fee
▶ **Non-interactive Mode:** A single static image (.jpg 1920 x 1080) can be displayed which will be mirrored on each display system.
▶ **Interactive Mode:** additional costs apply; please reach out to your event coordinator for more information
