

Quick Start Guide: Welcome to the NASDAQ OMX Listing Center!

Currently, companies listing on our Nordic markets can complete the following applications and forms electronically:

- Symbol Reservation Requests
- Company Logo Submission Forms
- First North Applications
- Applications for Structured Products, including warrants, certificates, ETFs, coupon bonds and structured bonds
- Prospectus Update Form

Symbol Reservation Requests

- To complete a symbol reservation request, you may use the following link:
<https://listingcenter.nasdaqomx.com/NordicSymbolReservationRequest.aspx>

In the alternative, this form is accessible under the Listing Information – Nordics menu at the top of the Listing Center home page.

- You do NOT need to log into the Listing Center (i.e., you do not need a Listing Center Account) to complete this form
- Upon submission of your request, you will get a system generated email. This email will include a PDF attachment of your submission.

All Other Listing Center Applications and Forms, including Company Logo Submission Forms, First North Applications, Applications for Structured Products, and Prospectus Update Forms

- To complete any other forms, you need to have a Listing Center account and log in from the Listing Center home page.
- Upon submission of your form, you will get a system generated email. This email will include a PDF attachment of your submission.
- These forms will be available from the My Queue page for future reference.

Other Useful Information

- Since its initial launch in 2009, companies and their representatives have successfully submitted more than 3,500 forms through the Listing Center.
- For a comprehensive overview of the facility, we encourage you to review our list of [frequently asked questions](#).
- Should you have additional questions about how to create an account or how these forms work, please contact your local NASDAQ OMX Issuer Surveillance team.
