**Re: Rule Certification To
Make an Amendment to the NFX Fee Schedule
Reference File: SR-NFX-2018-03**

Dear Mr. Kirkpatrick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended (“Act”), and Section 40.6 of the Commission’s regulations thereunder, NASDAQ Futures, Inc. (“NFX” or “Exchange”) is amending its fee schedule to extend the new client program.

Previously, the New Client Transaction Fees were set to expire on January 31, 2018. NFX now wishes to extend this through April 30, 2018 to benefit new clients. The corresponding amendment is contained in Exhibit A below.

DCM Core Principles

The Exchange believes the fee schedule amendments are consistent with Designated Contract Market (“DCM”) Core Principles. The Exchange will publish the amended fee schedule on its website to ensure that market participants have been advised of the changes. The Exchange believes the waiver of fees for new clients for a limited time is reasonable and continues the Exchange’s goal of offering products to the marketplace that are attractive and competitively priced.

Certification

There were no opposing views among NFX's Board of Directors, members or market participants. The Exchange hereby certifies that the fee schedule amendments as set forth herein comply with the Act and the Commission's regulations thereunder. The Exchange also certifies that notice of pending certification and a copy of this submission have been concurrently posted on the Exchange's website at business.nasdaq.com/futures.

If you require any additional information regarding the submission, please contact Stephen Matthews at (301) 978-8458. Please refer to SR-NFX-2018-03 in any related correspondence.
